The Grand Slam Club Helps Brandon Valley Youth Baseball

One of the most important things we can give the youth of our community is the opportunity to learn about sportsmanship, commitment and competition.

The Brandon Valley Baseball Association (BVBA) strives to provide a fun and educational baseball program for the youth of Brandon and Valley Springs, ages 7 to 18. We do this by providing quality fields to play on, excellent coaches to teach, and good equipment to use for fun and safety. From organizing the leagues, recruiting coaches and umpires to scheduling tournaments, the BVBA has the best interest of our youth in mind.

Along with all that, the BVBA also strives to keep its participation fees low so that everyone who wants to can participate. You can help us continue to grow the baseball program in Brandon and Valley Springs by joining the Grand Slam Club. Your membership will provide funds for two main BVBA priorities:

- Equipment (bats, balls, helmets and catchers equipment, etc.)
- Facilities and Maintenance (fields, lights, fences, etc.)

Gland Slam Club Membership Benefits

The Gland Slam Club has a variety of membership benefits besides helping the Brandon Valley Baseball Association operate a fun and safe baseball program. Benefits include:

- Free admission for one person to each tournament sponsored by the BVBA
- Recognition on the BVBA website and in the BVBA newsletter

Sign up today to be a Brandon Valley Baseball Association Grand Slam Club member and do your part to help the baseball program in Brandon and Valley Springs keep moving forward.

Other Ways You Can Help

There is a variety of other ways you can help beyond joining the Grand Slam Club, including by sponsoring tournaments, teams and uniforms. Please contact BVBA Fundraising Representative Kate Dalpiaz at 605-582-2857 or BVBA Secretary Trevor Guthmiller at 605-582-2706 to talk about sponsorship opportunities.

Another way to help the BVBA and yourself is by signing up to get water softener salt delivered to your home by the BVBA. This fundraising project takes the hassle out of bringing home heavy bags of salt and helps the BVBA raise money. Call Kate or check the box on the form for more information.
